

Controlled Release Society  
2019 Award Nomination Form  
Transdermal Delivery Kydonieus Foundation Award  
Submit via email to [info@controlledreleasesociety.org](mailto:info@controlledreleasesociety.org)  
Deadline: January 15, 2019

### AWARD INFORMATION

The Transdermal Delivery Kydonieus Foundation Award recognizes CRS members who have made outstanding contributions to the field of transdermal delivery science and technology over a minimum of 5 years. Contributions may have been technical, scientific, and/or managerial in the field of transdermal delivery, commercial development, education, and/or leadership within the areas of interest to CRS.

### CRITERIA

Candidates must be an established investigator who has made an outstanding innovative contribution in the area of transdermal delivery. Candidates for the award may be from academia, industry, or government, and may be representative of all demographic areas. Candidates must be a CRS member. Service and leadership within CRS will be considered, but it is not a requirement.

### NOMINATION PROCESS

The following items are to be saved as one (1) pdf file and emailed directly to [info@controlledreleasesociety.org](mailto:info@controlledreleasesociety.org) with a subject line of **TRANSDERMAL AWARD** and received by 11:59 PM ET January 15, 2019. Late submissions will not be accepted.
