ABSTRACT Submission NOW OPEN

DEADLINE
January 31, 2020

#CRS2020

Join our first 2020 webinar on ***“Anatomical and Physiological constraints in Ocular Drug Delivery”*** by Prof Clive Wilson, Strathclyde Institute of Pharmacy and Biomedical Sciences, Glasgow, Scotland, U.K.

This webinar will provide knowledge of how physiological and anatomical features in the developing and ageing human is essential as a primer for those of us developing more useful and safer ocular medicines in our research career.

Join us for the webinar On 24th Jan 2020 @ 15 hrs GMT via Webex.

Be sure to follow us on Twitter & LinkedIn for the latest information!
