

Industry Supported Educational Workshops

Sponsor Benefits Flyer

Thank you for your interest in supporting the CRS 2022 Annual Meeting and Expo. The Controlled Release Society Annual Meeting is the premier event in delivery science & technology. This must-attend, high-caliber scientific event draws over 1,000 international attendees and world-renowned speakers, working in drug delivery, consumer and diversified products, preclinical sciences and animal health.

This document is informational only and is not intended to be a binding Sponsorship contract.

As an Educational Workshop Sponsor, you'll receive the following benefits:

- Company logo/link on the annual meeting website
- Company logo/link within the workshop session description
- Company logo/link on the annual meeting website homepage and sponsor section
- Company listed on the CRS preferred vendor website, which is promoted in a quarterly email to all CRS members (4x in 2022)

If you support at a \$10k USD level or higher, you will also receive:

- Lead Tracking - Who attended the session with contact information (email/phone provided based on opt-in)
- Up to Three (3) full conference registrations. Speakers do not need a conference registration to speak in the session, but they will need registration to attend the rest of the conference.
- Social media "shout-out" from a CRS social media account

MEMBER/ATTENDEE PROFILE: CRS is the home for experts dedicated to the delivery of actives, including delivery scientists, engineers, clinicians and technical professionals. CRS members are creating the future of delivery science and technology through fundamental delivery research, development, regulatory science and clinical translation. Our Annual Meeting attracts 1,000+ influential scientists and business development professionals working in drug delivery, consumer & diversified products and preclinical sciences & animal health, who need your products and services to advance delivery science.

CRS is a nonprofit 501(c)(3) international, multidisciplinary organization dedicated to delivery science and technology. CRS serves members from industry, academia, and government in more than 55 countries worldwide by providing innovative research, targeted networking, and career advancement. Members work to advance the understanding & knowledge of delivery science and applications. Funds from your sponsorship will not be used to pay for, nor benefit any U.S. health care providers.
